PROFESSIONAL SUMMARY

Data Analyst with **2.6+** years of experience at Cognizant and proven freelance experience delivering Power BI and AI-driven analytics solutions. Skilled in transforming raw data into actionable insights using **SQL, Power BI, and Excel**. Strong expertise in dashboard development, KPI tracking, and business storytelling. Actively seeking **Data Analyst / Business Intelligence** opportunities.

SKILLS

- **Power BI Development:** Data modeling, DAX, dashboard design, interactive visuals, bookmarks, tooltips
- **Data Analytics:** Business Intelligence, KPI development, data cleaning, storytelling, insights generation
- **Database & ETL:** SQL (joins, window functions, CTEs), Python (basic, NumPy, Pandas), ETL concepts
- **Productivity Tools:** MS Excel (advanced formulas, cleaning, Pivot), MS Word, MS Office Suite
- **Soft Skills:** Collaboration with cross-functional teams, Strong collaborator and mentor, Problem-solving

WORK EXPERIENCE

Welspun Michigan Engineering Ltd (IT Support Engineer)

November 2025 – Present

- Troubleshoot software, network issues across systems and also support users with technical issue resolution.
- **Created reports** on incident trends to improve resolution time and **analyzed system logs** to identify recurring technical issues.

Freelancer (Power BI & AI Projects)

October 2024 – June 2025

- Delivered **end-to-end Power BI dashboards** from raw data to insights
- Developed **interactive KPI dashboards**, increasing **reporting efficiency by 25%**
- Cleaned and transformed large datasets (**Excel/CSV/SQL**) for analysis
- Applied **AI-based insights (trend analysis / segmentation)** to enhance decision-making.

Cognizant Technology Solutions (Associate – Data Analyst)

January 2022 – August 2024

- Analyzed large datasets to identify trends and support business decisions.
- Developed and maintained **Power BI dashboards used by stakeholders**.
- Optimized SQL queries, improving performance by **20%**
- Performed data validation and ensured data accuracy
- Mentored interns and supported onboarding

PROJECTS

Swiggy Power BI Ranking Dashboard (Power BI, DAX, Excel)

November 2024 - April 2025

- Utilized data importation and cleaning techniques to process raw **1M+** sales data from **Excel/CSV** files.
- Designed DAX measures and calculated columns to track **key KPIs including Sales, Profit, Orders, Customers, Top-N products, and daily trends**.
- Developed an interactive Power BI dashboard with **dynamic filters, category-wise analysis, and city-level performance insights** for data-driven decision-making.

PGE Palantir Foundry Analytics (Power BI, DAX, Excel, SQL)

April 2022 - June 2024

- Utilized SQL queries on the Palantir platform to identify and resolve defects in datasets, ensuring data accuracy and integrity.
- Developed and maintained dashboards (performance), generating reports using Power BI to track key performance metrics and inform data-driven decisions.
- Employed Python for various project requirements, adapting to diverse needs and objectives.
- Achieved a **30%** increase in customer satisfaction and improved overall system performance.

CERTIFICATE

Power BI Data Analyst Certification – In Progress (Expected completion: 2026)

EDUCATION

Academy of Technology

Bachelor of Technology in Electronics & Communication Engineering

July 2016 - June 2020
